PROFESSIONAL SUMMARY

Dedicated and motivated senior pursuing a Bachelor's degree in Web Development, with hands-on experience in full-stack development and a solid foundation in technologies including Angular, Node.js, MongoDB, and TypeScript. Passionate about learning from industry experts and contributing to innovative projects.

Seeking to gain meaningful experience through team collaboration and customer-focused solutions in the health insurance industry as part of Wellmark's 2026 Summer Internship Program.

EDUCATION

Bellevue University
2024-2026

Web Development / BS

Throughout this accelerated program, I gained pratical full stack experience in building and designing front end interfaces. Gained knowledge in back end server scripting and database, and gained professional experience in delivering a full-stack project individual and part as a team. Topics included JavaScript, DevOps, Agile Methodologies, API Development, Container Technologies, Angulare, and TypeScript.

Des Moines Area Community College
2022 - 2024

Web Development / AAS

As part of my studies, I earned a degree in this field. My coursework covered essential topics such as HTML, CSS, JavaScript, Marketing, Graphic Design, PHP, and MySQL, allowing me to create dynamic full-stack websites.

WORK EXPERIENCE

Cabaret Sports Bar & Grille

May 2023 - Present

Responsibilities include preparing and serving a variety of classic beverages, from curated cocktails to wine and beer. Additionally, I ensure the bar is well-organized, attractively displayed, and stocked with essentials. I check IDs to verify legal drinking age, handle payments, and exercise judgment when necessary.

THE JOURNEY FROM LEARNER TO EXPER IS PAVED WITH PERSISTENCE, CURIOSITY, AND A RELENTLESS DRIVE TO GROW.
